Re: Workshop and Certification Exam**

---

As discussed in the Supreme Court's recent per curiam opinion, our country is facing a global pandemic. *See In Re Response to the COVID--19 Pandemic*, 2020 Ark. 116. Thus, out of an abundance of caution, the upcoming court reporter's certification workshop and exam, which were scheduled for April 4-5, 2020, are hereby postponed. Postponement of the workshop and exam is necessary to protect the health of all individuals involved in the certification process.

A new testing date has not yet been selected. You will be notified as soon as that date is set. You may carry the previously submitted application fee forward to cover the cost of the rescheduled exam.

Please be aware that if any information on your previously submitted and approved application changes before the next exam, you must update your application.
